GSTAAD

“Gstaad is a beautiful town with a charming mix of visitors: in addition to celebrity guests in the chalet village of Gstaad itself, the smaller, rustic neighbouring villages offer attractive options for families with children. The centre of Gstaad has developed into a shopping area in recent years.”

“St. Moritz is more than just a holiday resort. It was also the birthplace of Alpine winter tourism (in 1864) and has twice hosted the Winter Olympics. Nevertheless, St. Moritz first became famous thanks to its mineral springs, which were discovered 3,000 years ago and established the town as a summer spa resort early on.”
