# GSTAAD

*"Gstaad is a beautiful city with a charming mix of visitors. In addition to the well-known guests of the Gstaad Chalet Village itself, the neighboring smaller country villages also offer attractive activities for families with children. Gstaad city center has developed into a shopping area in recent years."*

# ST-MORITZ

“St. Moritz is more than just a holiday destination. It is also the birthplace of alpine winter tourism (1864) and has twice hosted the Winter Olympics. However, St. Moritz is only known for its mineral springs, which were discovered 3,000 years ago and established the town as a summer health resort very early on.”
